PETITION UNDER 37 CFR 1.182

Sir:

In response to a final Office Action dated September 30, 2002, Applicants filed a Request For Continued Application with an Information Disclosure Statement on January 30, 2003.

Applicants hereby submit a copy of the original Request For Continued Application and a copy of the original Information Disclosure Statement. Due to a ministerial error, the Patent Application Transmittal of the Request improperly identified the application number as 09/465,607. However, all other information contained in the Transmittal properly identified the Request for Continued Examination as being for application number 09/354,058. Applicant also hereby submits a corrected Request for Continued Application indicating the proper application number 09/354,058.

The other identifying details contained in the Transmittal including the filing date, the group art unit, the examiner name, the title, the first inventor or applicant identifier, and the attorney docket number all properly correspond with the identifying details of application number 09/354,058. Additionally, all of the identifying details of the Information Disclosure Statement, including the application number in the original Information Disclosure Statement filed with the original Request for Continued Examination, properly refer to application number 09/354,058.

Attorney Docket No. 4982/5

Applicants respectfully request that the Commissioner correct the application number of the Request for Continued Examination as filed to properly identify application number 09/354,098. The Commissioner is authorized to charge our Deposit Account No. 02-4270 in the amount of \$130.00 in satisfaction of the required petition fee under 37 CFR 1.17(h). Any deficiencies in the fee, or any overpayments, should also be charged to our Deposit Account No. 02-4270.
